

MILLENNIUM ROLL-OUT CART

The Millennium cart provides efficiency with a multitude of features. The short body is convenient to load, increases visibility over top of cart and is easy to control. The footprint is engineered for stability.

Item	Load Rating	Height	Width	Depth	Assembly Weight	Shipping Stack	LTL Stacking	53' T/L Quantity
95 Gallon	340 lbs.	41 1/4"	29 3/8"	33 7/8"	40 lbs.	9-10 High	8 High	504-560

Features

- Short cart body; convenient to load, increased visibility over top of cart
- Cart footprint engineered for stability; resists tipping even in 40 mph winds
- Contoured lid reduces warp and water entrapment
- Lift lip across front and around front corners increases opening convenience
- Durable 'double-pinned' lid attachment
- Integrally molded details reinforce lift points and stress areas
- 10" wheels are standard
- Molded recess at bottom allows foot to be placed on axle providing leverage
- Available in eight (8) standard colors

Available Options

- Available with metal, plastic or no lift bar option
- In mold labeling on lid
- Lid options include circular opening to assist recycling efforts
- Sequential serial numbers
- Hot stamp sides, front or lid with custom logo
- RFID tag or Barcode
