

PROTECH® 4048 PROTECH® 4048 NH *Pharma Pallets*

For safer transportation and storage
of Pharmaceutical Products

The advantages:

- High-density polyethylene structural foam that resists mold, bacteria and insect infestation
- One-piece molded flow-through design that minimizes trapped water and cross-contamination
- Easily cleaned and sanitized between uses
- FM Approved non-halogenated fire retardant Protech 4048NH pallet available.
- 100% recyclable material

Options

- Intermittent perimeter lip
- Rubber grommets
- Your company logo molded into or hot-stamped onto pallet

Built for years of performance

- 40" x 48" footprint
- Four-way forklift and pallet jack entry
- More robust rib construction inside and out
- Dramatically thicker leg design for better impact protection
- Larger tapered forklift pockets
- Superior strength-to-weight ratio
- Inventory program for fast delivery
