

50 QUART CONTAINER WITH FLIP TOP LID

This high-impact polypropylene container can be used in classrooms, homes, apartments, or businesses for recycling or solid waste collection without using valuable floor space.

This is the most popular container for door-to-door waste collection at apartment complexes, condominiums, and town-home communities.

Features

- Lightweight
- Small footprint, uses little floorspace
- Custom stamping area
- Black is the standard color, but Recycle blue, red, Kelly green, yellow, white, and gray are available with a low up-charge.
